

City of York District Scouts – Top Awards Support

Priorities

YL Scheme

- A pool of volunteers who can offer a series of learning opportunities for YL's across the whole District, complementing what the Groups run;
- In-turn having the Groups offering up available places on their own training sessions to others across the District;
- The possibility of a dedicated annual YL Weekend (run by the Youth Team);
- Training support for Leaders to understand the YL missions.

Explorer Belt

- The set-up of a team to plan and execute an Explorer Belt expedition.

King's Scout Award

- For Groups to realise the benefit of each KSA participant having a mentor;
- For Groups to realise the need to complete the Gold DofE Award as a significant part of the KSA;
- For Groups to incorporate the new Explorer Challenge Awards as a significant means of completing the ICV challenges.

DofE Awards

- Atera ESU (The DofE Unit)
- To undertake the running of the Gold DofE Award (and the Bronze/Silver Awards for smaller Groups);
- To consist of a dedicated team of 4 minimum (so that the work does not fall upon one alone);
